Dear Doctor:

Congratulations! I am pleased to inform you that you have PASSED the 2015 Maintenance of Certification Secure Written Examination. This fulfills the Part III requirement of this 6-year cycle of your Maintenance of Certification.

The ABOG MOC program is now a continuous certification process.

Remember, in addition to passing the written MOC Examination, Diplomates in MOC Year 6 must also complete the Part II Lifelong Learning (articles and associated questions) and Part IV Quality Improvement assignments (modules and patient records).

Sincerely yours,
